## **FRONTLINE HEROES IN SENIOR LIVING INDUSTRY: Assisted Living Federation of America Honors Menorah Park's Stone Gardens Employees**

{Beachwood, OH} The ALFA (Assisted Living Federation of America) has named Ross Wilkoff, Administrator and Activities Director Sarah Taub, both of Stone Gardens Assisted Living Residence, as 2009 ALFA Champions for Seniors.

The organization stated that Wilkoff and Taub consistently demonstrate superior levels of commitment and dedication to seniors and their families through their day-to-day workings in the industry.

As Champions for Seniors award recipients, they represent a select group of honorees. The awards are given in five categories: Executive Director, Nurse, Caregiver, Staff Member, and Volunteer.

According to Richard P. Grimes, President and CEO of ALFA, receiving this award is a testament to superior levels of commitment and dedication to the community, the seniors whose lives they touch every day, and the senior living industry as a whole.
