

GREAT NEWS!

The Adult Day Center is continuing to take measures to be eco-friendly!
Our next step is the revamping of our monthly newsletter.

In an effort to reduce our use of ink and paper,
we are utilizing our social media and email to post pictures, updates
and calendar activities, and to make important announcements.

Please LIKE us on Facebook
<https://www.facebook.com/MenorahParkADC/>
and check out our website MenorahPark.org
for more information about the Center.
